SECOND SUBMISSION OF FORMAL DRAWINGS

This is further to the Request for Continued Examination ("RCE") filed in the above-captioned application by the undersigned attorney on July 5, 2002.

Submitted herewith is a Power of Attorney and Change of Correspondence Address, which confirms the authority of the undersigned to act on behalf of the Applicant, and requests that further correspondence be sent to her.

Also submitted herewith is a revised set of formal drawings, which should replace the formal drawings filed with the RCE on July 5, 2002. This revised set of formal drawings meets the requirements set forth in the Notice of Draftsperson's Patent Drawing Review dated August 28, 2000, and inserts the correct names for the compounds shown in Figures 1b and 1c. The names set forth in the prior drawings for Figures 1b and 1c were technically incorrect, and thus the names have been changed to reflect the correct names. The new names would be clear to one of skill in the art upon review of the corresponding chemical structures; thus, this new set of drawings is not believed to contain new matter.

SECOND SUBMISSION OF FORMAL DRAWINGS
US App. Serial No. 09/582,951

The Examiner is invited to telephone the undersigned, if he believes it would facilitate prosecution of the application.

Dated: October 18, 2002

Respectfully submitted,
